PLEASE REMEMBER

Before you join us at Freedom Canal Walk, please remember to arrive **10 minutes early** in off peak times or 20 minutes early on peak days to allow for check in, and if you can, **complete your waiver** before you arrive to keep things quick and easy.

The venue is **cashless**, and **grip socks are mandatory** for all jumpers, so please pack a pair of non slip socks (any brand is welcome) – grip socks are also available for purchase if needed (subject to availability). **Wear comfy clothes**, tie long hair back, and leave sharp items at home (no belt buckles or studs), and no gum.

All kiddies must be supervised by a parent or legal guardian during the party, and Freedom recommends one adult per five children for safe supervision.

By attending you agree to Freedom's **Terms and Conditions** and safety rules, including the standard waiver and risk acknowledgement, and Freedom reserves the right of admission for everyone's safety.

Also, please note **no outside food or drinks are allowed**, as there is an in house pizzeria and Bootlegger coffee available at the venue.

Kind reminder: **siblings** who are **not part of the party guest list** will need to **purchase their own ticket** to enter and play.
